## RAZOR POKER IS BACK!

Collectors have asked for it and Razor has answered! After a 3-year hiatus, Razor Poker is back and back with a vengeance. Razor has procured the rights to new top names like Doyle Brunson, Johnny Chan, Tom Dwan, and many more of today's biggest stars. In addition, Razor has obtained rights to Stu Ungar, possibly the greatest card mind ever. Due to his untimely passing Stu Ungar autographs and memorabilia have been deemed unattainable, until now!

Razor Poker 2010 brings new levels of chase elements not delivered to poker card products in the past. Most autograph cards will now be serial-numbered! All individual autograph cards will have extremely low serial-numbered parallel versions. Dual Signature cards will be included, as will Tournament Fabrics, an autographed memorabilia card, plus a card with actual table felt signed! Also look for incredibly rare Stu Ungar memorabilia cards featuring a Binion's World Series of Poker jacket worn by Mr. Ungar. And finally, the rarest of the rare, we are including a 1 of 1 cut signature card of Stu Ungar, the first to be produced by any card manufacturer! Through the relationships we have with top poker players, Razor Poker 2010 will also featured redemptions for actual tournament used clothing such as shirts, caps, sunglasses and many other items.
